

Crooked River Lighthouse Climbing Rules – 12/03/08

The following regulations are in effect for climbing the Crooked River Lighthouse so you can enjoy your visit and be safe.

Who can climb? You must be 44" tall to climb the lighthouse. An adult must accompany children, age 12 and under who meet the height requirement.

Know your limitations! If you have any health conditions that might impact your ability to climb, please don't try it. There are no landings. Drink plenty of liquids before and after you climb. Remember, there are 138 steps. The top flight is very narrow.

You must watch your step and be alert. No flip-flops, bare-feet or high heels are allowed. Steps may be slippery. Use the handrail.

What can a person carry during the climb?

ONLY A CAMERA IS PERMITTED. No food or drinks or smoking are allowed in the lighthouse. No pets, no bags of any kind, no backpacks, and no carrying of children are allowed. Cell phone use in the tower is also not allowed.

How much does it cost to climb the tower? \$5.00 per person

Watch for insects.

Do not throw anything from the top of the tower.

The tower will be closed in inclement weather at the discretion of the staff.

Limit of 5 people in the tower at one time. There may be a wait to climb. Please limit your time at the top to 10 minutes to allow others to enjoy the view.
